

**WHY REGISTER???**

One of the most exciting ways for people in the fellowship to meet and learn more about the program of Cocaine Anonymous is by attending and participating in conventions. Speaker meetings, workshops, marathon meetings, recreational activities, and special events add to the spirit of recovery and fellowship. By registering, you not only help provide resources to the Convention Committee that will assist in making this event a success, you also help generate funds to support CALA Central Office, Hotline, H & I, Public Information, Outreach, and more. It enables us to continue to "Carry the Message to the Addict Who Still Suffers." We encourage you to **register early** and save money.
